

Culture and Identity

- ❖ Project Name: **Culture and Identity**
- ❖ Instructor: Chan Chow Wah (and others)
- ❖ Description: Study specific issues critical to understand for success in cross-cultural organizations. Some issues explored include:
 - How do cultures and customs change?
 - What are the key facets of being a Romanian?
 - How do you want it to be represented?
 - How do you think you are being perceived?
 - In a social or business meeting, who and what decides which culture is the norm?
 - What is the Romanian identity?
 - Are you a European, Romanian or European Romanian?
- ❖ Developed Skills/Experience
 - Importance of understanding culture in the workplace
 - Cultural Awareness and Understanding
 - Cultural Relativism
- ❖ Needed Support
 - Time in evening amphitheatre
 - Representation on schedule
